Make 18 hub assemblies quick and easy with just **4 Webb part numbers**

Webb offers four top selling hubs conveniently packaged for you in our **Boxed Hub Program**. The **1020P** includes a 1020T hub and bearing cups; the **2023PT**, **2323PT** and **2343PT** include hubs with ABS and bearing cups. When you add the proper studs to the boxed hubs you can satisfy 18 hub assemblies with only four Webb part numbers. The assemblies that you can create or replace with each boxed hub are

listed right on the label to help you serve your customers quickly and easily. The Boxed Hub Program is one more reason why Webb is the preferred choice in the aftermarket. Combine this with helpful customer service, dependable delivery and strong financial backing... and you've got a business partner you can count on day or night.
