BULLETIN

Freight Policy on Aftermarket Shipments

This bulletin has been issued to clarify our policy on freight for aftermarket shipments.

Continental United States - Any order of 60 drums or 5,000 lbs. or more in the continental U.S. will be shipped prepaid freight via a Webb Wheel carrier. Anything less than 60 drums or 5,000 lbs. in the continental U.S. will be shipped freight collect to the delivery address or third party billed to the bill-to address. Orders for less than 60 drums or 5,000 lbs. will not be held or combined with other orders to meet the prepaid freight requirements. These orders will be shipped F.O.B. origin by an L/TL carrier freight collect. The customer must specify their choice of carrier; Webb Wheel Products will not assign a carrier. Our policy does not allow us to ship orders prepaid freight and add the freight charges to the invoice.

Non-Continental United States (AK, HI, PR) - Any order of 60 drums or 5,000 lbs. or more in the non-continental U.S. (AK, HI, PR) will be shipped prepaid freight via a Webb Wheel carrier to the port of departure from the continental U.S. Anything less than 60 drums or 5,000 lbs. in the non-continental U.S. (AK, HI, PR) will be shipped freight collect to the delivery address or third party billed to the bill-to address. Orders for less than 60 drums or 5,000 lbs. will not be held or combined with other orders to meet the prepaid freight requirements. These orders will be shipped F.O.B. origin by an L/TL carrier freight collect. The customer must specify their choice of carrier; Webb Wheel Products will not assign a carrier. Our policy does not allow us to ship orders prepaid freight and add the freight charges to the invoice.

Canada - Any order of 60 drums or 5,000 lbs. or more in Canada will be shipped freight collect with a freight allowance on the invoice via a Webb Wheel carrier. The allowance will be in the amount of the freight costs. Anything less than 60 drums or 5,000 lbs. in Canada will be shipped freight collect to the delivery address or third party billed to the bill-to address. Orders for less than 60 drums or 5,000 lbs. will not be held or combined with other orders to meet the prepaid freight requirements. These orders will be shipped F.O.B. origin by an L/TL carrier freight collect. The customer must specify their choice of carrier; Webb Wheel Products will not assign a carrier. Our policy does not allow us to ship orders prepaid freight and add the freight charges to the invoice.
