

NEW 77805BW Webb Vortex® Unlimited

The ultimate 16.5x5 steer axle brake drum solution

Webb Vortex with CRT™ vents (Cool Running Technology) manages braking temperatures better than standard drums – A perfect match for your Reduced Stopping Distance (RSD) brake package!

RUNS 15% COOLER

LASTS 25% LONGER

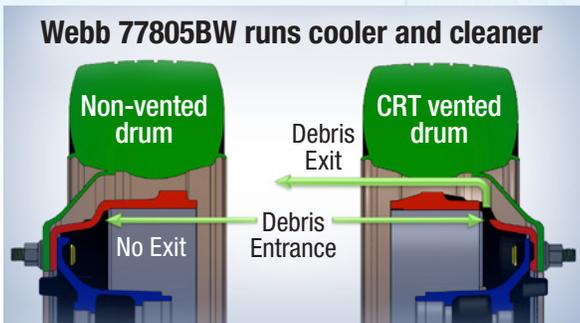

Patented design dissipates heat more effectively than standard drums

- RUNS COOLER—Patented CRT™ vents increase air-flow for 15% cooler operating temperatures and 25% longer drum life
- RUNS CLEANER—CRT™ vents provide a path to evacuate debris, minimizing any potential drum/lining grooving issues
- The ultimate low-temperature, long-life brake drum
- Cooler temperatures mean longer brake and lining life for lower maintenance costs
- Patented wear indicator takes the guesswork out of repairs to save labor time and money
- The best product support in the business
- Designed, cast, and machined in the USA

10 Holes
11.25" B.C.
8.78" Pilot
16.5 x 5 Brakes
Weight: 93 lbs

Patented wear indicator saves time and helps you get maximum life from your drum to cut maintenance cost

Webb Vortex with CRT™ vents provide a pathway for debris to exit the drum. This helps reduce grooving by minimizing the buildup of dirt, debris, and brake dust on the braking surface. Your brake system runs cooler, cleaner and lasts longer with Webb Vortex CRT.
