

# Longer lasting brakes for School Bus fleets

Testing performed thru two winters in the Salt Belt

26 months, 32,789 miles without Webb LifeShield™ protection

26 months, 49,684 miles with Webb LifeShield™ protection

Patented wear indicator saves time and helps you get maximum life from your drum to cut maintenance cost

NEW Patent-Pending CRT™ vents increase air-flow to reduce operating temperatures

## Your lowest total cost solution only from Webb®

- Webb Vortex® brake drums with CRT™ vents run 15% cooler to last 25% longer in the toughest school bus applications
- Webb LifeShield™ creates an invisible protective layer across the entire rotor surface to fight corrosion and provide greater wear resistance (Fleet testing shows 2x life)
- Longer product life means lower maintenance and operating costs
- Your Webb representative can help you determine the potential savings your fleet can expect by switching to Vortex and LifeShield products... only from Webb!
